

Program Overview

Kern Green is committed to protecting the environment through education and awareness. **Kern Green** works with residents, schools, businesses, government agencies and other local non-profits to demonstrate the social, economic and environmental benefits of integrating green practices in daily life and professional work.

Our program includes:

Community Recycling Days

Just Say No to Idling and No Idle Zones

Green Business Certification Program

Kern Green awards banquet (Next Banquet will take Place in 2019)

Monthly “The Green Scene” newsletter

Booths at over 30 events and over 10 presentations each year

Zero waste facilities

Water Conservation Programs

Food Waste Prevention Program

Healthy Living Program
